Subject: Yet another favor for the Lourie Center

Dear Tony,

Do you think you might be interested in being our Guest Speaker at our Annual Meeting on June 26 at 4pm? I think your account of being in the Lt. Gov's office through all these transitions and explaining how the Office on Aging came to into being and what we seniors can look forward to in the near future would be very well received. I know this is a busy and very trying time for you and all of your staff, but if you could give us an off-the-cuff presentation (no more than 25 mins.) I would be very grateful.

Please let me know if you will consider this

Thanks so much

Mary

Sincerely,
Mary K. Kessler
