Thank you.

This has been sent to the county and we need an immediate response from them.

Thanks for your assistance and leadership.

Subject: ICS 213 Joaquin Flood Assets request

These are the requests that have been submitted to our Richland County EOC through WebEOC.

Local resources are overwhelmed. Making rescues with calls stacking in the pending que. Multiple firefighter maydays, one firefighter still missing.

This is of the highest priority. More requests to follow.

Thanks,
