... overseas is paul ryan again don't think he's a liar now another one part of the ep weisel what is nikki haley  
an animal for 14 she's from south carolina line issue its 76th tour john bolton this is an interesting one of our  
people say they in he's also taking no use or a former ambassador of the year a bigger of the lead to the un are  
wrong you don't these and have no desire to ...
