PALMETTO POLICY FORUM INVITES YOU TO JOIN US FOR A NEWS CONFERENCE

Please join [Palmetto Policy Forum](#) tomorrow to celebrate the launch of [EMPOWERING STUDENTS](#): an education catalog that explores current school options for South Carolina families, and highlights what other states are doing to empower students. We hope this guide will help more South Carolina families take advantage of the choices available to them. Furthermore, we hope it will also inspire state and local lawmakers with information about how, through proven policy ideas, we can help parents access opportunities to unleash the potential of every SC child.

We look forward to seeing you Thursday!
