Quote from Governor Nikki Haley, "Obamacare continues to be a disaster for our health care, our economy, and our budget. In South Carolina, we will continue to work around it as best we can, finding better ways to make health care more affordable and give patients more choices. I continue to support our federal delegation's efforts to replace this terrible law."

Subject: Response?

Good Afternoon,

I know this is a busy and trying time, but I wanted to go ahead and see if the Governor would have a response to the ruling issued today by the Supreme Court?

We have heard from at least one health care provider hailing the decision and asking lawmakers to expand Medicaid.

Any statement?

Thanks very much!

Alex
