**HONOR, DUTY, RESPECT...-the core values of The Citadel encourage us not only to be leaders, but also givers. This year, on Tuesday, May 5, The Citadel Foundation and the Fine Arts department are proud to participate in this national event and make history again. We are celebrating a day dedicated to giving—when charities, families, businesses, community centers, students, retailers, and others will come together for Lowcountry Giving Day—a national movement to celebrate our local communities.**

**Last year, more than 175 donors joined together to support The Citadel Foundation, helping to raise over \$89,000. This year The Citadel Foundation and the Fine Arts of The Citadel department has been invited to participate in two different incentive pools. You can designate your gift to support The Citadel Fund and/or the Fine Arts at The Citadel. Join the movement and give at [lowcountrygivingday.org](http://lowcountrygivingday.org) <<https://foundation.citadel.edu/page.reedir?target=http%3a%2f%2flowcountrygivingday.org&srcid=16926&srctid=1&erid=720454&trid=7966a8c4-7d1a-4a4a-bab1-f970b43bc7c6&chid=80>> or [foundation.citadel.edu/liftthelowcountry](https://foundation.citadel.edu/liftthelowcountry)**

**Will you help The Citadel Foundation reach 150 donors on Tuesday, May 5?  
If we reach this goal, your gift will be enhanced by an additional \$5,000 in  
bonus cash sponsored by Palmetto Brewery.**

**In order to count toward the challenge gifts cannot pay existing pledges  
and must be designated to The Citadel Fund and/or The Citadel Fine Arts  
program.**
