South Carolina State Parks

at 13:45:29 on 9/07/2019 UTC · 🌐

Our rangers and staff are working hard to clean up our coastal parks from Hurricane Dorian. Colonial Dorchester is OPEN as well as the day-use area at Myrtle Beach State Park. We are still cleaning up OR waiting on power to be restored at Huntington Beach, Hampton Plantation, Edisto Beach, Charles Towne Landing and Hunting Island. These parks remain closed. We will update here or on our website as these parks reopen! Thanks for your patience!
