Subject: Event with Duke Endowment

John,

First, I have three options for an event with you and Duke re: telepsychiatry. For what it's worth, I prefer the 18th if at all possible, because the 25th and 26th are currently expected to be days the General Assembly will be here for vetoes. The candidates are:

Tuesday, June 18th at 1:30
Tuesday, June 25th at 11:30
Wednesday, June 26th at 2

I'm copying Doug Mayer from our Comms Office. His contact information is below:

Also, I'd like to spend some time with you and the Duke folks either before or after the event, to talk about Social Impact Bonds and some of the applications we're considering for them going forward. Thanks.
