Danny,

Hope and trust all is going well!

News flash – the culinary team from Anderson Career and Technology Center won third place in the National ProStart Competition held in Rhode Island.

Would it be possible for them to shake hands with the Lieutenant Governor and have a picture taken with him at some point on Wednesday, May 9?

Please know that we are extremely sensitive to the fact that things are pretty hectic now, but I know it would mean a great deal to this three-person team and their teacher (which, of course, won the SC competition earlier this year) if it is doable on your end.

Many thanks!

John
