Constituent From: Robert Pritchard

TO: Gov. Haley.

FROM: G. F. APPLETON

Cc: my Congressional delegation, GOP leaders

President Obama's edict imposing a radical sexual mandate that forces public schools to allow boys into girl's bathrooms and locker rooms must be opposed. Already, several states have announced their opposition.

I join this movement opposing what is a blatantly unconstitutional and tyrannical action by Obama to impose a certain sexual agenda on our children.

Obama's edict puts our children at risk by opening up girl's bathrooms and locker rooms to boys in public schools across America. There is not legal or constitutional ground for such an action.

I am urging my state leaders to openly oppose Obama's bathroom edict. I also call on Congress to take swift action to oppose this dictatorial measure.

Sincerely,

G. F. APPLETON
