Subject: Weight Restriction on Richland County Bridge

The South Carolina Department of Transportation (SCDOT) announces the bridge on Mullis Road (S-40-369) over 25-Mile creek in Richland County will require a weight restriction due to structural deficiencies. Based on the bridge type and condition, it has been determined that a weight restriction of 5 tons per axle and 7 tons GVW is necessary. The restriction will be implemented effective Feb. 2, 2017.

Trucks will be detoured along Lawhorn Road (S-1294), Grover Wilson Road (S-60) and Langford Road (S-54).

For additional information, the public may contact the District One Office at (803) 737-6660.
