## South Carolina State Parks

at 23:30:01 on 9/22/2020 UTC

We have had to cancel our 45th Atalaya Arts & Crafts Festival "in person," normally held at Huntington Beach State Park. However, starting this Friday, 9/25, the original start date of the festival, we will kick off our "virtual" online Atalaya Festival! We will be showcasing 53 fine arts and craftspeople through the month of November! You can purchase their work from their online stores! Stay tuned throughout the months of October and November for an awesome online artist showcase! [www.AtalayaFestival.com](http://www.AtalayaFestival.com)

**Terri Scherrer Christoph** If you are afraid of getting sick, don't go! Don't stop it for those of us who know this is overblown and make our living this way.

**Cindy Peak Phillips** Terri Scherrer Christoph please don't be such a fool. Not to mention disrespectful to the families of those who have perished. Read and be responsible:

**Judith Myers** I continue to be SO grateful for your decision to be careful and cautious— I have reservations this weekend at Huntington (made them at the beginning of the year before COVID hit), but am now also looking forward to the virtual festival! THANK YOU!!!

**Judilein Emm** Terri Scherrer Christoph why should they accommodate people who obviously care more about themselves than others? Your ignorance is astounding.
