Dear Governor Haley,

There is a place in Laurens, SC that helps pay utility bills. Something is wrong with this place. It is:

Bleamns Neighborhood Services

221 W Laurens St.
Laurens, SC 29360
Tel 800 924-5123

The problem is they are paying all the Black peoples bills but not the white peoples bills. I am aware of a lady that went and asked for help twice but got none.

I would appreciate someone looking into this.

I cannot sign my name because there might be retaliation against me.

Thank you and God Bless.
