Karen Miller McLeod Will parks post if they have to close gates for capacity reasons?

at 15:11:03 on 3/23/2020 UTC

South Carolina State Parks We will do our very best, but most parks do this and are not able to communicate closures to us.

at 16:23:53 on 3/23/2020 UTC

Sandra Nabors thats not what i understand the virus lives on surfaces so any surface that can be coughed on can spread the virus

at 16:25:31 on 3/23/2020 UTC

Valerie Lamott You should totally get a Grammy. Or at least a nomination.

at 16:27:07 on 3/23/2020 UTC

Dori R. Simpson When will state parks close?

at 16:45:47 on 3/23/2020 UTC

Daphne Vish Sullivan You can still enjoy outdoor activities while social distancing. People that are sick need to quarantine.

at 16:56:51 on 3/23/2020 UTC

Sunshineord Sunshine Adam Salisbury you can have this virus and not know it until you have already spread it around that is why it's important for everyone to self quarantine
