Will do. Apparently DSS has been provided with several products but having trouble deciding what they want it to look like. We'll sort it out as quickly as possible.

Subject: EMD Data to Support DSS Request

Swati,

As you are aware, the Governor has asked DSS to apply for D-SNAP food assistance benefits for areas in the declared counties. In order to submit this application, DSS must support its request with data from EMD. It is my understanding that DSS has requested this data from Charlie Caughman with EMD, but thus far they have been unable to obtain it. They would like to submit their application as soon as possible so that they can begin offering this benefit. Can you help expedite the request for data?

Thanks,
