DHEC's response to this letter is attached, sounds like they are doing everything they can to help Shaw.

David E. Wilson will be the acting director but he does not start until the 5th.

This is fine, but Catherine is no longer the director. They have an interim, but I can't recall his name. I think it's on their website.

Danny, Please review the attached letter. I have made a few minor edits to their language though I did not edit too much for risk of messing up the information. Once you are happy with it, please send to Lily so she can send it out tomorrow since I will not be in the building.

Lily, if you could please print the letter and send it out once Danny says its fine I would be very grateful.

I did confirm that Heigel is still the director until August 5<sup>th</sup>.
