Dear Governor Haley,

I wanted to let you know, that Spartanburg, S.C., is listed at #4 of the 10 worst towns to live out of the towns in America! We used to be #7 and have slipped to 4.

We were picked for the "honor" because of :

Well Being Index score 62.2

Pct. Adults with a College degree: 20.5%

Pct. Smokers 27.5%

Median Household income \$40,879, Spartanburg residents were among the poorest and unhappiest in the Nation. I won't be going on with the article. MarketWatch published these findings.

I am writing this email because I believe enough in you to have voted for you both times. I asking you to please bring more businesses to Spartanburg,County. I just read you are going to India to try and get them to invest in our State. I love my town and want to the best for our people. Please help us, I love my town!

Sincerely,

Sylvia S. Painter
