South Carolina State Parks

at 13:25:31 on 3/16/2010 UTC ·

Gorgeous morning! And I am headed to one of my all time favorite state parks -- Dreher Island on Lake Murray. It's a beautiful park with lots of recreational opportunities. Maybe I'll get a chance to take some photos and share with you -- or videos of some of the amenities. Have you ever been to Dreher Island? Tell us what you like about it.

Leigh Anne Wicker We went last summer it's nice but our campsite was a long way from the bathroom and the sites could be a little bigger. Trees need to be trimmed so that bigger campers could get to the sites.

Carrie R. Gordon We camped there in a pop-up two years ago for Easter weekend. It was really nice. A lot of the sites aren't all that level tho-so make sure you bring something to level your campers out!

Hope Martin Derrick We enjoy Dreher b/c it's close to home, but since we've gotten a larger camper, I agree it's very hard to get in and out. Haven't been able to go there b/c of this.
