Disclaimer: No harassing or intimidation by no means but seeking truth and justice.

I received a response from Renee Grube of the US EEOC last week stating that my FOI Request has been forwarded to SCHAC for processing due to them completing the investigation. I am expecting SCHAC to complete the FOI Request according to federal guidelines because the original complaint was filed with the US EEOC in Greenville, SC.

Please provide a time-frame as to when the information will be process and sent.

Thanks

Clarence Jenkins Jr
