Dear Mr. Shepherd,

Thank you for your follow up email on January 3, 2017 regarding audio/video recordings of Governor Haley's "press staff, media staff, and/or communications staff." The Governor's press, media and communications staff only prepares video recordings for media events, and these items are subsequently edited and posted. The press, media and communications staff does not maintain audio/video otherwise. Campaign or third party audio/videos are not in possession of the Governor's office.

Sincerely,

A handwritten signature in blue ink that reads "Richele K. Taylor". The signature is fluid and cursive, with the last name "Taylor" being particularly prominent.
