

Pending Amendment – Proposed Regulation Amendment for Publication in the June 22, 2007, issue of the *State Register*:

**SOUTH CAROLINA COMMISSION ON HIGHER EDUCATION
CHAPTER 62**

Statutory Authority: 1976 Code Section 59-58-10 through -140

62-6. Licensing Criteria.

The Commission may license the institution after due investigation has revealed that the institution and its programs have met the following criteria:

A. The course, program, curriculum, and instruction are of quality, content, and length as may reasonably and adequately achieve the stated objective for which the course, program, curriculum or instruction is offered and in response to documented need. For specific program length and instructor qualifications, see Regulations 62-9 through 62-13.

i. An accrediting body recognized by the U. S. Department of Education or the Council for Higher Education Accreditation must accredit out-of-state degree-granting institutions.

ii. Within a period of time that the institution may reasonably expect to meet the requirements, an in-state degree-granting institution must gain candidate or applicant status as appropriate for accreditation and subsequently accreditation from an accrediting body approved by the Commission, typically one recognized by the U.S. Department of Education or the Council for Higher Education Accreditation. The period of time to gain candidate status (up to four years) and accreditation (up to a total of eight years) will be determined by the Commission in consultation with the institution. To determine the appropriate accrediting agency and length of time within which an institution must gain candidate/applicant status and accreditation, the Commission must take into consideration the objectives and length of the programs and requirements of the accrediting body.

iii. An accrediting body approved by the Commission must accredit an in-state nondegree-granting institution before the institution seeks licensure to offer programs leading to degrees.

There are no proposed changes to the remainder of Regulation 62-6, paragraphs B through S.
