Linda Kelly I would love to! But you don't allow pets. :(Are all the parks like this? This is the second one I've looked up that is not pet-friendly. Please let me know which parks will let you rent a cabin and allow you to bring the entire family (that includes our dog!)

South Carolina State Parks Pets are not allowed in or around cabins and other lodging facilities. Pets are allowed in most outdoor areas provided they are kept under physical restraint or on a leash not longer than six feet.

Linda Kelly That's too bad. Thanks.

Carolyn Anne Linda, I agree with you, more places need to be pet friendly and not just to dogs under 50 lbs. Need to try DogFriendly.com see what they list.

Debbie Brazzell Tennessee has state parks that have pet-friendly cabins. You can also look up pet friendly lodgings online and find all kinds of place that allow pets!
