I'm writing in regards to the current situation I'm in. I've been incarcerated since December 2nd last year on a charge I didn't commit. CSC II Warrant #2013-A4210204209. I was appointed a public Defender - Mr. Roger Poole. From December last year all the way up until April This year, Before I gave Candice \$1,000 to take my case I made requests to Mr. Poole to put in for a fast & speedy Jury trial Forms. I wrote him letters which were kept with no response & wrote him on this kiosk computer which can be copied or reviewed at anytime. Almost every time I wrote him request about my rights to a fast & speedy trial He left the requests open. Some requests that he did respond to, dodged my the topic for the trial. I have 7 children who need me home, one will be a year old in January & I haven't even held him yet. Once I wrote the Public defender, I wrote both the Clerk of Court & the Solicitor over my case ( Meghan Gilmore ) & made the same requests. The Solicitor ignored me & the Clerk of Court forwarded my requests both to the public Defender & the Solicitor as you can see on 3-25-14. Mr. Poole waved my case at the pre-liminary without me being in the court room to hear what evidence was being used against me. He told me I couldn't present my evidence & with the statement the "victim" wrote it's self will convince them to send it upstairs for indictment. I told him I have proof my charge is false & they're already held me past their 90 day limit for a indictment so it's gonna be dismissed I sat in jail 113 days before going for a prelim. I never saw. He told me don't sweat it he heard the disks of recorded conversations I had with the states & "victims" eyewitness where he admits the whole tape game is his girlfriend's way of getting revenge for the way I beat him up on November, 30, 2013. The Solicitor called their witness & He told her the truth that when he walked in & saw us having sex - was no tape & that he's 50 yrs. old he knows consensual sex when he sees it & that what he saw

was consentual as they come. She gets agitated after their conversation & never calls nor returns the calls of my 3 other witnesses. I have proof, hard actual proof that that girl is lying. Photos, recorded conversations, 3 witnesses who wrote statements about the "victim" bragging about doing this to me. I have the victims' statements of crossed up, in your face, undeniable lies. Her 2 statements aren't close to being the same & both are signed by her & the officer and a nurse. I have 3 pages full of their mixed-up lies, logical questions that anyone can look over & realize. Their statements complete garbage. I have their statemented, eye witness. Telling these people, she's lying. The solicitor caught her in her own lies of how she was being physically handled & being yelled at, yet her mother an eyewitness sat a 8FT from my bedroom on the other side of a sheet that I use as a door, & no one heard not a sound? Hospital records prove she's lying about being man-handled. No tenderness, scratches or bruising of any kind & she's very calm with no apparent distress. They asked her how didn't anyone hear our yells or why she has no marks besides two hickies on her neck. She changes her story to something different from her memorized written ones. She told them before she was pinned with my bodyweight. Then, how did I perform oral sex on her. She replies when asked, that she was too scared to fight or yell so she just laid there & endured, but she wrote, "That she got on her hands & knees so I could do it from the back." That's not fighting nor just laying there enduring. The Eye-witness was harassed into writing something, in front of another witness, so he wrote 2 sentences so they'd leave. He will tell you his, that his face hurt he didn't want to even speak to anyone or be bothered; yet the officers kept on as on until he wrote something. Not one single thing in the hospitals records backs or even

(3)

Supports a reason to believe there was a rape. Except the 2 different statements she wrote. I left 2 hickeys on her neck & gave her oral sex. She clearly & completely has a new story now. Her mother waited 21 hours, went and visited her "Eyewitness", slept that nite & ate their daily meals before going to the ER & yell rape. No mother would wait & do all that before putting her 20 year old daughter's health to mind. The police department is 200 yards from my home & could be there in one second, if she were raped that nite as she claims. The officer told me. I couldn't have a polygraph to show nobody got raped, or make a suggestion-she take one. He told me in front of my wife who just found out that I cheated on her, "That this was the first time he's ever done a case like mine & that he only handles Narcotics & the K-9." He said "the criminal teams suppose to handle this kind of thing & he is clueless about what kind of charge it will be or how to write it up so he was gonna take his statements and hospital records to the Judge & see what he wants to do. I asked him again what's the charge? "Well to be honest with you, you messed up by even admitting u penetrated her" I replied "u ask me for the truth & I gave it to u. Did u want me to lie to u & say I didn't?" He told me he would've had to ask me to take a polygraph & I said a few minutes ago u said I couldn't take one? A shrug was given & he said "Hell I don't know. I work Narcotics" & he left. Hours later he picked me up on this warrant. I wrote him last week trying to get a truthful statement even about refusing to collect a liquor bottle with the victim's prints on it proving she was drinking as well. She wrote she wasn't. False statement! He refused to even take a picture of it saying its not relevant to his investigation. The one he knew nothing about him to handle." His words. Mr. Krueger heard all from... part...

uses to put me down for a fast & speedy as I asked her to do. She told me she put me on a regular trial poster cause I won't be offered any kind of guilty plea. I told her I don't want one. I offered the solicitor at the begining of the year a guilty plea if its for a 3rd degree assault, 30 days time served. I told her I am NOT guilty but I'd give her some kind of conviction so I could go home to my wife & kids. I told to sign me up for a fast & speedy if not & I wouldn't sit in here much longer & take it she refused & my lawyer Candice Lapham won't answer my calls, my letters, my faxes or even the text messages, I have my family send her. They leave messages & get no replies. I have a copy of a fax asking for that fast & speedy, No answers from her or the solicitor my 6th Amendment been violated for close to a year now. I'm mischarged by a Narcotics K-9 officer who refused to collect evidence which was straight discrimination in his "confused-not sure" investigation. Officer James Owens who works as a town officer that's very, very small "Cowpens" located in Spartanburg. The Judge who issued the warrant "deceased" & the one who gave me my bond is retired. The only reason a warrant was even issued is because my past, the dumb things I did when I was young. I served my time for my mistakes & yet here I sit cause I used to stay in fight & trying to run from, threaten, & when I was real young I spit on one "officer". I served 6 whole years for that & 3 for threatening & 1 for resisting. I paid for my stupidity. I have a \$50,000 bond with GPS & I waited 4 hours for him to come & get me. I kept calling him & 30 min. before he picked me up, so I could get a baby sitter. He told me 30 mins before & I waited. I've saw a child molester charged on 2 accounts got a 20,000\$ bond. He admitted he did too. The Judge who set my bond pre-judged me too. He said this carries 20 yrs & with no record you'll see a good many of them too. He discriminated me. I ...

that day during bond hearings. I've repeatedly tried to get a bond reduction, which is also on the kiosk computer. State law - 16-3-653. C.S.C.T. states - a person is guilty of C.S.C. 2nd degree, if aggravated coercion is used to accomplish sexual battery.

## AGGRAVATED COERCION

(B) Section 16-3-651. - C.S.C definitions : Means the accused threatens to use Force or violence of a high & aggravated Nature to overcome the victim or another person. If the victim reasonably believes that the accused has the present ability to carry out the threat, or threatens to retaliates in the future by the infliction of physical harm, kidnapping or extortion under circumstances of aggravation against the victim or any other person.

(C) Aggravated Force : Means that the defendant uses physical violence of a high & Aggravated Nature to overcome the victim or includes the threat of use of a deadly weapon.

(B)(1) ABHAN section - 16-3-29, & 16-3-600. : Means a person unlawfully injures a person - (A) causes great bodily injury to another person. (B) The act is accomplished by means likely to produce death or great bodily injury.

(4th Amendment) - Also states, no warrant shall be issued without supporting cause.

Two statements. 2 different statements for now a whole New story, has me in here on a crime I didn't commit & stuck by a warrant that should've never been issued. Even during her lies she states, I never hit her, struck her, strangled her or threatened or made her put her mouth anywhere on my body. She even states I didn't grab her hold her down & her being on her Hand & Knees proves she wasn't being pinned down. She says I sucked on her neck, duh I put 2 hickies on her. She says her hair was pulled while we were having sex which is untrue, but if it were would that be unusual in

sex? She had no tender points on her body, bruises, redness, no swelling. Her hair wasn't snatched or her scalp would be tender. Medical reports prove she's lying. She never even states that she tries to leave the room. We were having sex with nothing but a sheet from where her mother & their witness was sitting with no T.V. to muffle our sounds. We work in mine & my wife's bed in my dark bedroom naked as the day we were born. Her legs were wrapped around me when John Henderson came in & caught us. (Her Eye witness & he told the Solicitor this) There was NO Aggravated Coercion, see the states very own definitions, there wasn't so much as a scratch on either of us "Aggravated? Really?" I will beat this in trial & they no it but I can't get in the court room cause I'm being denied my Amendments, Bond reduction & my Attorney, want da her job. I can't challenge the warrant, I can't even get a response. Ms Meghan Gilmore is letting me sit here knowing I'm innocent & letting me be denied my rights. She figures if I sit here eventually she can throw something at me & I'll take it & I'll get a conviction but I'm not my Attorney's doing the same thing. She doesn't want the time off the hassle of a trial so she want sign me up or come & see me, I shouldn't even be here on a charge like this to begin with. I've even been put in the paper so everyone can think I'm a rapist. I'm ready to file a law suit. This has got to violate my 8th Amendment & cruel & unusual punishment. Please look through my forms I can't get any help. It's like there wanting my family to call News channel 7 or something. Please send me copies back. The BAR association said Candice Lapham, my lawyer wasn't suppose to take my money, being she's been pregnant.

Her words in her statements. I've pointed out several things the Officer refused to do, Report, investigate, collect & procedures and protocols that weren't met because they would have shown the truth & favor in my favor. Everything that would show my innocence was ignored "Irrelevant" or completely ignored or refused. I've pointed this out to the solicitor & even the fact that I've been mischarged. I even showed them the requirements & the violent seriousness of the charge & that Nothing in this case, report, statements, Med. Reports, exams match the officers bogus warrant. Any Winesses see the assault?  Yes  No If yes, identify: John "johnny" Henderson (assailants uncle)

History of assault per patient:

- 1 Patient's mother (Hilda Waldrop) was in the living room of the house that the assault occurred but did not witness the rape.  
2 Hilda however reports witnessing John Henderson being physically assaulted by assailant after pulling assailant off of  
3 patient. Hilda states "We went to Josh's house to meet my friend Johnny who is Joshs uncle. We were sitting in the living  
4 room and Johnny went in the bedroom and looked in the curtain and said 'get off of her. You shouldn't be doing that'. They  
5 started cussing at each other and I went into the bedroom and saw Kelly looking for her stuff. When we came out of the  
6 bedroom, I saw Josh punching Johnny in the face repeatedly. Johnny passed out on the couch while he was being beat up  
7 and Josh pulled his uncle outside. As I was trying to get his uncle in my car, I fell and cut my nose. Josh pulled his uncle out  
8 of my car and kept beating him. Johnny eventually woke up. Johnny came to the hospital this morning and had six facial  
9 fractures and was hurt really bad." Hilda states "Joshs wife was at work and his three kids were in the bedroom next door to  
10 where it all happened".  
11 Patient states "Josh had been drinking. He asked all of us if we wanted to watch movies. Momma wanted to talk to johnny  
12 so josh thought it would be good for us to go in his bedroom to watch a movie. He was on the bed at the head and I was on  
13 the floor at the foot of the bed. He left out of the room and comes back with a clear thing of vodka and he had already had a  
14 big thing of beer. He was gonna show me how to play poker. After that it escalated and he started acting funny. He was  
15 talking about wanting to do something different. He looked at me and said 'come here come here' and he started getting  
16 agitated so I went to see what he wanted. He grabbed a head full of my hair and pulled me down on the bed. I was able to  
17 break away from him and he grabbed my neck. I said 'I am not doing that'. He didn't like that. He got mad. He has  
18 a wife and a marriage certificate. I didn't wanna do any of that. He go me back on the bed. He was holding me down with  
19 his body weight and kept saying 'love on me' and telling me to kiss him and touch him. He kept trying to kiss my mouth and  
20 trying to put his tongue in my mouth. I kept turning my head away and he kept laughing and saying 'you don't wanna love on  
21 me'. He pulled my pants off and I was trying to get away by trying to pull myself to the head of the bed but it didn't work. I  
22 kept telling him to stop and that he needed to quit that it wasn't right. I didn't yell for momma or johnny because I was  
23 scared. He kept yelling at me to stop over and over and that if my momma or johnny come in there that he would take care  
24 of them. He kept telling me to loosen up and stop acting like a high school girl and to act like a woman. He pulled my pants  
25 down to my knees and my underwear. Then he put his mouth down there and after awhile he told me to get on my hands  
26 and knees. He said he was going to do it from the back." Pt reports after clarification that assailant placed his penis into her  
27 vagina. Pt denies anal penetration. Pt clarifies that assailant placed his mouth on her vagina. Pt denies anal area being licked  
28 or sucked by assailant. Pt denies assailant forcing her mouth on his body at all. Pt is crying during history of assault. Pt  
29 states "it all stopped when johnny walked in and yelled at him to stop." PT denies being strangled. PT reports neck as only  
30 area of sucking and biting. Pt denies being struck/hit by assailant but reports at one point I thought he was gonna hit me  
31 because I was trying to get away so hard. Pt reports assault occurring on assailants bed on top of a burgundy comforter. Pt  
32 states "I think the sheet or the other comforter was white." Pt denies assailant using condom. PT reports assailant being  
33 shirtless with grey jogging pants on. Pt reports assailant having multiple tattoos on chest one of which pt states "it looks like  
34 satan but it is a goat." Pt denies assailant having facial hair but reports having short "army cut" hair. Pt reports assailant  
35 smelling of cigarettes and alcohol and acting drunk. Pt states this was first time she ever met assailant. Pt reports assailants  
36 first name being Josh and reports (Im pretty sure his last name is Lance). Pt states "he is on probation. He has been to jail  
37 before" when referring to assailant. Pt reports assailant complaining of marital issues, stating "he kept rambling on about  
38 how the kids in the house weren't his and how the baby his wife was carrying wasn't his."

I had Ashley Tape it for me.

John - I think he asked me  
to get off of her. I think he was getting  
arrogant and I think he was being  
abusive. I think he was yelling why didn't even  
one of my children wake up? All lies.

Stated he already had a large bear. Victim Stated he wanted to show me how to play poker. He started acting weird things escalated. He started talking about wanting to do something different. He looked at me and said Come here, come here. Victim Stated he started getting agitated. He grabbed a hand full of my hair pulling me down to the bed. I was able to break away then he grabbed me sucking my neck & biting. I told him no I'm doing that he got mad, he got me down on the bed held me down with his body weight. Vict Stated Suspect kept saying love on me love on me. he kept trying to put his tongue in her mouth. Victim Stated she kept trying to get away. He pulled her pants off and. Victim Stated She tried to get away Vict Stated she told him to stop several times, he told her to stop acting like a High school, and act like a woman, he pulled her clothes (including undies) to her knees, and put his mouth on her vagina. She stated he put his penis in her vagina. Everything stopped when, her mom's friend came in the room, and yelled Stop. at one point and time Victim was scared so stated that he didn't let her go to her and was scared to yell for help. Once the other witness when yelled Stop ended in an alteration resulting in him going to the hospital. I spoke to the witness, Johnny who provided me with a statement and willing not to press charges on the suspect for assault, I made contact with the suspect. I asked if he would give me a written statement of the facts. He said yes. Suspect was managing Royal Value it was going to ruin his marriage. After he said I had sex with her. His wife Kayla who was present wanted to assault him I told her not to cause I would have to arrest her. She walked off then came back and sat down. Kayla made the comment Took you've lied to me.

- She tells u I got mad after pulling her down & sucking neck & I'm now saying Stop & Then she stated I was kissing & saying love on me love on me & She got away & off the bed. If She were being sexually assaulted by a mad man & she aint leave the room right then.
- D She says I was acting weird. How so? She doesn't even know me. Faggitated, So she come to see what I wanted. How's that when shes right beside me on the bed playing cards?
- ③ She says at one point she got scared I was gonna hit her. Yet she still stayed in the room?
- ④ The other report she says she was scared to tell her mom & Johnny cause I said I would take care of them. She forgot to mention that he isn't his report.
- ⑤ She says she was fighting me the whole time & I'm suppose to be pinning her down with my weight. So why is medical reports proving she's lying? Even about being snatched around by the hair. How did I hold her down with my body weight & perform oral sex on her while she was fighting the whole time?
- ⑥ She says I was mad, but her other statement says I was laughing, kissing her & saying love on me.
- ⑦ If she says she was resisting while I had sex with her. Why isn't this statement saying what the other does "she got on her hands & knees so I could do it from the back"?
- ⑧ She mixed up her lies. She says at first I pull her pants off as she fights to get away how could I give her oral if shes crawling away & fighting! & a few sentences later she says I pull her pants & panties down to her knees and put my mouth down there. How did I do that after I just pulled them off? & She went from fighting me to doing nothing. Sure?
- ⑨ Why isn't she mentioning she was drinking & talking about my kids & wife in this statement, why isn't her mothers lies added to this one too. Why did Owens refuse to get the liquor bottle with our prints, as I asked him?
- ⑩ How am I charged with CSCII? Aggravated Coercion is serious assault or threatening to seriously harm someone if he tell. Sucking someones neck & saying 'love on me' which I didn't say or "pulling someones hair" or at one point I was scared he was gonna hit me is not Aggravated Coercion. See what the law defines it as for yourself. Medical Reports prove she's lying about the hair pulling & being physically handled.
- ⑪ She had no marks but 2 hickies. I had none. If she were fighting me to keep me from sucking her neck my face or neck would've had scratches or blood whelps. If we're no shirt this nite & I had no mark cause she knew she get me in trouble with my wife.
- ⑫ Johnny got assualted for another reason by me. She says he yelled at me to stop. He says he simply asked me to get off her. We were having consensual sex & he even is telling yall the truth about what he saw her legs were wrapped around me & it was consensual as sex & this her eye witness. Hows she know about me & my wife having problems & the kids not being able to see me by blood? What mother would wait nearly 24 hrs later for medical attention on her to dress chores? No 4 hrs

All day the police Show up, and now lets tell the truth. Passed with a statement after Verbal telling me what happened. He stated it was Confidential. That she wanted to, even touched him, and took her own clothes off. Stated they played cards, and started touching and kissy and he admitted to putting his mouth on her vagina, as well as prostate. So he admitted to an alteration with other witness. Today I explained to the Superior and wife I was going to take all the statements to the judge. I received all the evidence, and paper work from the Hospital as well as the Rap ket. I spoke with Judy Bowen explained the detail, and he advised to come see her at the jail before a warrant, no family.

- ⑫ Why isn't she mentioning me doing nothing but Jogging pants or my chest tat too  
or my covers bunched up or my pants loose, think about it? Why isn't she saying any  
thing about saying I was naked, when I'm supposed to be naked & laughing in this  
statement like she did in the tape, see, she has got her lie. How'd she know I've  
got a marriage certificate, & fully interested in my personal life with wife, & she  
in the dark bedroom with a nearly naked married man that you haven't known  
but for a hour or two, while his wife's at work, Watching Movies on a computer  
dark bedroom with a complete stranger, what movie was she watching?  
⑬ She clearly states she want him strangled, being forced to give me oral  
or threatened in any way yet. In being charged for aggravated assault.  
No shot up or I'll kill u or tell or I'll hurt u or u better have sex with  
me or else, she has no physical marks or discoloration from any body. No bite  
& goes away in 24 hrs later. She doesn't go my last name but knows I've been  
to jail before what my alias is "on my chest" & she says I'm on probation the day  
alot mine & I'm Rambling about my wife. Trying to make the look worse than  
what she already has. She's saying she was raped & was yelling but no one  
heard nothing. She says I pulled her pants off & started sex with her

## Compare to Other Statement

- ⑭ Just for the record check out how she says in one statement I pull  
her on the bed by her hair but she gets away & I pull her down again &  
suck on her neck.  
The other statement says I pulled her down by her hair & sucked on  
her neck & she got loose & then I get her down again.  
One states she "got away before her neck being sucked" the other says I su-  
cked on her neck after pulling her down by her hair but before getting  
away.

- ⑮ Any competent officer investigating a Rape incident could see  
their lies & would understand what they were doing. Impossible  
undeniable crossed up lies. Any Officer trying to seek the actual facts  
so truth would've asked both parties to submit to a polygraph &  
I volunteered. (Request the victim submit to polygraph, Section 16-3  
-750 (S.C. codes ANN. 16-3-653 CSC II). I was denied the polygraph  
for the same reason he wouldn't collect the liquor bottle or take the pic-  
tures as evidence & the same reason he kept trying to get me to say  
I was so drunk I was passing out when she came in my room. Tryin  
to make it seem I didn't have sense to would look guilty like some kind  
drunk rapist. Not one single thing at the C.R. gave probable cause to an  
assault & another officer would've made a rape assault. For the same reason  
Mr. Henderson trying to get him to press charges for me assaulting him  
they finally pressed him to write that 2 sentence statement. The same reason  
they didn't add that I had not one scratch on my face or body into his stat-  
ment or his comment to me about not blaming for not telling wife or about the  
statements he kept making about him not having a clue how to handle a  
case of this nature. He only works Narcotics cases - I was his first ever case like it  
& the only reason he was there was because he was the only on duty officer &  
admitting my investigation was handled by the Criminal Dept. Not him. How would I  
know all this if I were lying? Why would he sneak a pic. of Mr. Henderson without  
knowing? Cause he took her side & made sure I was charged instead of seeking  
truth. He wanted to charge me from the very start & made sure nothing prevented  
I even mentioned her prints on the bottle to him. I was charged. He refused my wife a se-  
cure and audited & protocols or follow my request to collect evidence the wife the  
same

Time of Assault 11pm - 1154pm  
why would she even be in a dark room that late at nite with a guy she doesn't even know? She knew he was married & was lying on mine & my wife's bed wearing nothing but jogging pants.

Any witnesses see the assault? No, when John Henderson / this other eye witness of mine - why is he telling you there was no rape and what he saw was consensual as they are? He's got no reason to lie to me I'm in jail & I fractured 6 bones in his face and he's got this once right now to send me to prison for 20 yrs. Why is he saying there was no rape? Cause he's being honest.

In the first sentence, Hilda states: She was on my couch & didn't witness a rape. Then in sentence 2 she states, I attacked him when he pulled me off Kelly. If that were so, we were having sex in my B. room, and if she saw that version she made up, then she would've actually witnessed a rape right? She would've seen Kelly & I naked right?

In sentence 5 she states: she witnessed us arguing & she went in my room to help Kelly with her stuff. Then in sentence 6 she states that when they came out of my B. room he saw me beating Johnny in the face & he passed out on the couch. In sentence 2 she just stated she witnessed me beating Johnny after he pulls me off of Kelly? That would be in my room if he pulled me off of Kelly. Was he beat in my bed room or living room? 2 different witness statements. Completely different.

In sentence 8: She confirms Mr. Henderson received 6 facial fractures. Again why would he confirm that he saw consensual sex, when he can give a little lie for the state & send me away for 20 yrs? Cause he's speaking the truth.

In sentence 9: Hilda confirms my wife was working & my 3 children were in the next room "The room that joins the living room & also has no door". If all this yelling & loud cussing were going on, why didn't at least one child wake up? Cause all that yelling is a lie.

Kelly states in sentence 11: that I asked if they all wanted to watch movies. True. Then sentence 2, she says "I thought it would be good for us" me & her to go to my room. They declined so I said well I'm going to lie down. Kelly remained in the living room a while before her & Johnny poked their heads in my room and Johnny asked me that "Kelly wants to know if she can watch movies with you?" In the dark & with me in nothing but jogging pants? I was nearly asleep, I had no beer except that half of a big cheap one Johnny gave me & I didn't drink cause it was tough. I said "yeah grab her a chair from kitchen & sit it in front of my TV". The chair was there & seen by Officer Owens when he arrived.

In sentence 13: she states I made her sit in the floor at the foot of the bed. You couldn't even see the TV screen from there, another lie, she had a chair. Even small lies matter when 20 yrs of your life are on the line. Officer Owens saw the chair.

In sentences 13-14: She states I had left the room & came back with a clear thing of vodka & that I already had a big beer. But she failed to mention she was drinking vodka with me, why's that? Also why didn't she mention I was using that big thing of beer as a ashtray? Officer Owens saw himself the cigarette butts & how close it still was from being the whole half a beer Johnny split & gave me. I also asked officer Owens to collect the vodka bottle as evidence cause her prints were on it as well. He refused cause he didn't see it as relevant. He saw the vodka bottle also.

She states in sentence 14: that I was showing her how to play poker. True. She sat beside my bed, I turned the light on. We were a foot apart while we played. She states in sentence 15: I said "come here, come here". Why would I say that? We were a foot apart. She says got agitated so she went to see what I want. In sentence 16: Then she states I grabbed her by the hair & pulled her on the bed. She was already on the bed. Lies again. We started feeling one another on the bed. She started it by playing with first my chest & nipple rings & then my nips.

In sentence 17: She states she managed to breakaway from me as "I was sucking & biting her neck". So she's stating that she was fighting to get away right? Remember that. Now ask yourself why my wife popped in her head while she was being attacked? Then she says, according to her statement = in sentence 18: I got her back on the bed. If she got away from me & didn't want to do any of that as she says then why didn't she leave the room when she got away? If she felt like she were being sexually assaulted? Why didn't she atleast raise her voice? Use according to her own words. She wasn't scared to tell me to my face "she wasn't doing that" cause she's telling lies & also after she would she be scared to just walk out or raise her voice then? Cause she's telling lies & also after states, I'm married & have a marriage certificate. Why would she even be in my bedroom alone with me? Especially that late at nite. Really? If she were so noble as to remember my wife and her feelings.

In sentences 18 & 19: Remember that she says I'm holding her down using my body weight ok. She states in sent. 20: Once again that she was fighting me as I was laughing saying "love on me". First off that sounds feminine & I don't even talk like that ask my wife. In sentence 21 she's claiming to not be telling the truth once again "It didn't work", of course she

ing & no point or trade less any time as I expect to stay in this state, the next day from fighting to get free from my body weight, right? There should

heing muscles the next day from fighting to get her off my back, nothing. The  
my Skin under her Nails or Scratches on me, but as Officer OWENS saw himself there were none.  
Officer OWENS took me to Suptg. Regional for my hand being Severly Swollen nothing else except  
Knot Johnny left behind my ear when we fought. No MARKS or SCRATCHES. She inspected me  
throughly after they called her & said she had sex. Nothing.

Sentence 21: She states I pulled her pants off as she kept fighting & telling me to stop  
ce again and Read the medical Reports on page 16 of motion files. Page 5 of Medical Reports  
also states "She's well nourished, very alert, NO ACUTE Distress, no obvious discomfort, that her  
skin is warm, dry with good color. She responds appropriately to questions, speech clear, good pu-

es on all extremities & NO POINT OF TENDERNESS or edema & no bruising  
she states I kept YELLING at Her to stop over & over again & that I'd take care of  
Her Mom an Johnny if they came in there? That's A Hell of a lot of yelling isn't it? Especially  
for no one to hear anything from 8 ft away, with nothing but a sheet between  
3. Not to mention not a single one of my children woke up & heard all this yelling. That  
yelling would draw attention to my room. If anyone were raping someone that yelling would  
a kindabe dumb wouldn't it? There were No TV in the Room where Her Mother & Johnny  
were sitting. The kids were asleep by my TV was turned down off at this time. Johnny & John  
D. & John D. didn't hear anything or anything. That He just can't  
see the entire scene. sentence #3 (about all this yelling)  
in this he act better. He saw the entire scene.

In sentence 243 she states "that I had to loosen up or quit acting like a high school girl". That loosen up part is completely untrue & that stuff about High School girl has said earlier that Rita is about "How her mama wont get her a phone." I told her Rita & quit acting like shes in High School an get a Job and buy her one. I then told Rita & her mother in front of Tatamy that since its almost Christmas I'd save her mom \$75.00 L.G phone I bought the previous month, for 20\$ & ask them.

) In sentence 24 She states I then pull her pants to her knees & place my mouth down there. In sentence 21 she says I pulled her pants off and she was fighting me or running away. In 24 she contradicts her self completely. She says pants or panties to her knees & place my mouth down there for a while. She said when I pulled her pants off. She was (pulling) at them, and when I started at her. How do you place your mouth someone's panties & their trying to get away & running from the head of the bed? If her supposedly being in her pants at the time of her not being able to run away from me, she states only that I kept pinning her down using my body weight & that's supposedly why she was no longer able to get up. How the hell could I pin her down for so long and sex as her? I can't believe she would say such things about herself.

⑦ Sentence 29 She ~~said~~ <sup>asked</sup> him if he had seen him. When Johnny walked in, he ~~said~~ <sup>asked</sup> him if he had seen him. When Johnny walked in, he ~~said~~ <sup>asked</sup> him if he had seen him. When Johnny walked in, he ~~said~~ <sup>asked</sup> him if he had seen him.

D Insentence 30% She tells them that I never hit her or strangled her, so she could never get out of any time if she were being瑞ved. Both Johnn, Culles mother has alwys been there and if anything happens to my wife, I would have to spend the rest of my life in jail. If all support goes to her, PC is only about 20% of the money. If that's the case, it's up to me to take care of her.

bedroom in the dark with me? If she were raped? How does she know about my problems with my wife & kids? She asked me these questions & I told her not by bleed but they're still mine. She asks even the baby? I said yes. She ~~said~~ sure No's at about me huh, Even that I've been to jail. How'd she get to know all these things while she was watching "Movies" or when she was supposedly being raped? The answer is: we were talking and she began rubbing my chest & nipple rings, she asked did they hurt when you pierced them I replied yes for about a month. Then ~~she~~ started rubbing my penis through my pants. We began making out, I kissed her & sucked on her neck, she took off her pants told me to turn off the light she took off the rest of her clothes I performed oral sex on her until she came & we began having sex, her on her back & then hands & knees, then on her back with her legs wrapped around me & Johnny came in and caught us. Then he said he was gonna tell my wife, Kelly was scared of her mom knowing & Kayla knowing too I told her I'd talk to him. He kept saying she deserves to know. Kayla loves you! I remembered what Hilda said: he told her about me making him watch our kids all day while we went partying, clean & our house, cook dinner & wash dishes & I brought it up we began arguing & I told him to get out of my house & things got worse & we began to fight & I went over board with it & beat him bad, they called my wife telling her how Johnny caught me & Kelly Having Sex & Kelly told her I also ate her out after my wife kept asking what else. Johnny was taken to the ER, & went back to Jessica Sektors house. Hilda & Kelly showed up asking him to press charges on me. He told them no, that it ain't gonna change nothing or make anything better. Hilda gets pissed & makes up a lie saying I Raped Mother's very strict on her and you would see how her mom controls her life if you ever actually meet with them. We didn't have sex long at all & I never came during our sex. She describes me & my blanket's good & she tells you the movie she watched ~~she can't do it~~ Read #16 carefully

I've got 2 disks of recorded conversations with John Henderson admitting there was no rape and Hilda made it up, cause he wouldn't put me in jail. Also how Kelly is nothing but trouble & I never made him do anything so that he could live with us that was a lie.

I've got a statement from Kayla Rollins - about their call to my wife telling her what happened

I've got a statement from Jennifer Hart - another witness who heard the conversation with my wife & Kelly on speaker phone.

I've got a statement from Jessica Sektors - From her visit over her house to see Johnny & heard them say, she made it up, and I need to go to prison for Johnny's assault for the rest of my life

I've got 5 pictures of the bedroom & how far Johnny & Hilda were sitting from my bedroom. The sheet I had over the door way & even the chair they brought in there that night. Why would anyone wait 24 hrs before reporting a rape? OR going to the hospital? After going to visit Johnny at Ms. Sektors

I've got repeated contradictions & lies in their statements at the ER all listed & shown on these 3 papers & this doesn't include the one from the officers written statement.

I've got questions - that are logical, to prove their story's false.

Even John Henderson's - testimony about what he saw "Her own witness" & he tells you what I am telling you; the truth. Hell testify this in trial.

I've got her own Medical Reports - physically proving that I speak the truth, no matter how many tears she makes her self cry & I sit here facing losing my life & humiliation over a lie. I could nearly lose my whole life. Please think of that, we'll be

Information Officer James Owens refused to report on evidence -ACE & His on Verbal Statements, Refusing to take statements Sneaking photos without consent & pressuring Mr. Henderson until He gave a 2 sentence statement or to include the fact he knew nothing about or how to invest -ate

C-1. WHAT DO WE MEAN BY "IS EXONERATORY?"

The most important thing to understand about the term "is exoneratory," is that it is not limited to things that prove the defendant did not commit the crime. Rather, it includes any information or material that might lead the jury to conclude that the defendant should be found not guilty of any of the crimes charged.

One constructive way of analyzing whether something "is exoneratory" is to look at the different general categories (or genres) of defenses in criminal cases, and ask ourselves whether the evidence we want to discover helps establish any of those categories. These genres (within which almost all defenses fit) are as follows:

1. The criminal act never occurred. (Frame-up, for example)
2. The criminal act occurred, but the defendant was not the one who did it. (Alibi, for example)
3. The criminal act occurred, the defendant committed it, but it wasn't legally a crime. (Self-defense, for example)
4. The criminal act occurred, the defendant committed it, but it wasn't the crime charged. (Lesser included offense, for example)
5. The criminal act occurred, the defendant committed it, but he was not legally responsible. (Insanity, for example)

Any material that might help to establish any of these categories is Brady material, and must be disclosed. Moreover, it doesn't matter whether the defendant has committed to raising a defense with that information. As long as the material would help to establish a defense, it must be turned over, and it is for the defense lawyer to determine whether and how he or she wishes to use it.

Along the same lines, any material that is inconsistent with the prosecutor's theory of the case is Brady material, regardless of whether and how defense counsel is going to use that material.

Due process also requires disclosure of any evidence that provides grounds for the defense to attack the reliability, thoroughness, and good faith of the police investigation, to impeach the credibility of the state's witnesses, or to bolster the defense case against prosecutorial attacks. *Kyles v. Whitley*, 514 U.S. 419, 442 n.134, 445-451 (1995).

To sum up:

Any material that helps the defense attack the reliability, thoroughness, or good faith of the police investigation is discoverable under Brady. This is a terrific tool for prying loose police reports that show inconsistent behavior or statements by police, incompetence or failure to follow guidelines or protocols for investigation, and general sloppiness in investigating the crime or in failing to follow leads or investigate anything that wouldn't help convict your client. It is also very useful
