

12-3-14

Dear Governor of the state of South Carolina,

I am in the 4th grade at St. Roman School in Milwaukee, Wisconsin. Our class is learning about your fabulous state! If there is any information you could send us about the state such as maps, fun places to see, any National Parks or Monuments, population, foods, famous people from your state, and the history of the state, we'd greatly appreciate it! We need this information as soon as possible. Maybe someday we'll be able to visit your state with our families!

Sincerely,

Fabian Sixteco
