Dear Governor.

I just want to let you know there is some group calling citizens in S C and telling them you are trying to get a law passed that would take away our 2nd. Amendment Rights. I told them they were D*** liars. I wish I had there phone # but sorry I did not get it. I also would like to thank you for the outstanding job you are doing for the people of South Carolina.

Thank You and GOD BLESS YOU and your Family
