- Executive Order 2016-04 ([hyperlink](#)) – orders certain Cabinet agencies **that offer direct client services** to adopt a risk assessment screening policy for domestic violence.
- The Task Force has **received** commitments from nine professional boards to include domestic violence training in their continuing education: Doctors, Nurses, Dentists, OTs, PTs, Pharmacists, Social Workers, Cosmetologists, and Counselors and Therapists.
- The Task Force has created a one-page regional brochure to be printed from LLR's website for those professional boards to distribute and make available in offices in all parts of the state.
- The Task Force has created a standardized reporting form for local governments to use when sending their annual report to the Treasurer's Office of how criminal fines and fees are spent **on victim services**.
