Let's replace "exuberantly" with enthusiastically. That's a little too, let's say, exuberant of a word for this. And, do we need a "the" in front of law?

Subject: Draft Letters for Review - Reagan Foster

Attached are two draft letters for Reagan Foster, Ronnie Burton's granddaughter. One is for a Master's Program in Mass Communications and the other for law school. I am waiting to get the submission information from her which is why the address is missing and its why the Master's one just references program instead of a specific school.
