Subject: State Created Retirement Plan

Dear Gov. Nikki R. Haley,

I am not in favor establishing a retirement savings plan for private-sector employees within the state.

As a business owner, this legislation will affect me in the following ways:

A noble idea, but just one more non-reimbursed administrative cost. The IRA plans currently available should be sufficient for any private sector employee.

A SIMPLE IRA allows up to \$6,000 per year.
We don't need another government program!!

Bruce Dodds

Sincerely,
