

Governor Haley,

I would like to take this opportunity to give a "HUGE THANK You" to you and three people working in the Social Service department, Mr. James Washington III, Miss Kennedy, and Miss Miller.

There was an incident involving

our grandson, Michael Cameron Froter, and well, let's just say there are at least four people very happy now, one being the grandchild.

Again my husband and I would like to say "Thank You!"

Mike & BJ Froter
