Subject: Summer Cruise Deals from \$49 Per Day!

Dear Mr. Kester,

I believe that cruises are not only the easiest way to see the world, but that they also offer more value for the dollar than any other international vacation option.

After all, where else can you unpack once and travel to fascinating destinations? And where else can you book a fantastic summer vacation for as little as \$49 per person, per day, and receive comfortable, well-maintained accommodations with twice-daily maid service, three-plus meals a day and a full slate of shipboard activities and nightly entertainment? Not to mention supervised children's programs, teen lounges, no-kids deck retreats, water parks, pools, fitness centers and much more.

If you want to take an oceangoing vacation this summer, it's not too late to find an incredible deal. Here are a few examples of the fantastic values in the marketplace right now.
