Hi Fellow Business Acumen Team and ACL Regional Office Administrators ,

We just learned that the California ADRC grantee is hosting an ADRC Service Cost Tool webinar training today, **Wednesday, May 15, 1:00-2:00 pm (PDT)** and would like to invite participation from ACL, interested state entities and local organizations outside of California. The link to register for the webinar is: <https://student.gototraining.com/r/3709046695694320128>

California formally released the California ADRC Service Cost Tool, which is designed to help Area Agencies on Aging, Independent Living Centers and other Aging and Disability Resource Connection (ADRC) partner agencies develop cost estimates for the services they offer. The tool is available on the [California Community](#)

[Choices website](http://communitychoices.info) (<http://communitychoices.info>).

Please share the invitation with others as appropriate. It's a great tool.

Sincerely,

Lori
