Subject: Unveiling the New Military OneSource Website @@

Greetings:

Unveiling the New Military OneSource Website

We are proud to announce the release of our newly redesigned Military OneSource website. As technology has changed how we consume, search for, and share information, Military OneSource is moving information to and through

the military community better and faster than ever. We're continually looking for ways to improve services to you. The

new website reflects the information you told us you want and how you'd like to receive it.

How we did it.....

We looked at your feedback, reviewed two years' worth of the content, examined how users are navigating to and through the site, studied what topics and content you are searching for, and conducted a general website usability test. The results of this study gave us our new seven-category structure:

- Confidential Help
- Family and Relationships
- Health and Wellness
- Financial and Legal
- Education and Employment
- On and Off Base Living
- Deployment and Transitions

So what are you waiting for? Explore your new Military OneSource website today at www.militaryonesource.mil . Like it, share it, tweet it, and let us know what you think.

Respectfully,

LaTarsa R. Williams
