I am the complainant with SC Human Affairs Commission who currently has a case docket number 2015-CP-40-03112 in Richland County Court of Common

Pleas. I have been deliberately denied access to SC Human Affairs Investigative File pertaining to SCDEW, SCBCB and Office of SC Governor regarding barred from applying. SCHAC Law 65-2-11a allows for me to have access when there are legal proceedings. I have a signed document from SCHAC Board Member, Susan Davis Bowers which confirms access to investigative file base on the law of 65-2-11a. I have provided SCHAC the case docket number 2015-CP-40-03112 and the law and they have deliberately sought to avoid me and will not even discuss the law. SCHAC has deliberately violated their own policy and laws of this state.
