Chaney,

I was wondering if you could give me an update on Haley's ONE SC FUND? I was wondering how much money has been raised so far and exactly what the plan is to determine who gets this money and when they can expect it. I'm doing a story today on a woman who's lost everything and FEMA has given her nothing. Wanted to see if she can expect money from Haley's fund. Would anyone be available to interview about this?

Thanks!
