Subject: Jelani Cobb (of the New Yorker) requests interview with Gov. Haley

Good afternoon, Ms. Adams,

I am writing on behalf of Jelani Cobb, a writer at the *New Yorker*, who would like to schedule a brief interview with Governor Haley in the near future. Mr. Cobb, who is currently in Charleston for the Roof trial, is interested in discussing the aftermath of the shooting as well as larger issues to which this trial relates.

Please let me know if/when the governor might be available to chat.

Thanks and best,
Caitlin
