Hutto: At this point, there isn't anything wrong. I just want to be clear on the timeline. The Governor asked you to review it, but y'all were going to vote on that anyway, regardless if the Governor made her request or not. So now on to my second point – prior to the actual hearing of the case, you made a comment to the Commissioner and to a staff member, Is there an opportunity to settle this case?

Amsler: Correct.
