i know several females that wanted to play football, lacrosse and baseball but don't think they will be allowed too. In the pee wee leagues and teams for the little kids they will get the chance but when they get into middle/high school they say no. I have seen some of these girls in action and they are tough and good. They deserve to try out and if their good then LET THEM PLAY and I don't mean sit on the sidelines. I believe most people would be surprised Ina good way. Good luck Sierra and don't ever stop trying. You could just be the girl that changes everything.

Women should be able to play any sports us men do if that is what they desire
