Subject: Request for letter/statement re 331 kg Pu shipment to SC (Mainichi Newspapers)

Dear Ms. Adams,

I hope this message finds you doing well! This is Iva Kovacheva, Correspondent Assistant at *The Mainichi Newspapers* of Japan.

AP reported today that Gov. Nikki Haley requested in a letter to DOE Secretary Moniz that the shipment of 331 kg of plutonium from Japan currently heading to South Carolina be rerouted and future shipments of plutonium to the state be stopped. Could you please send us a copy of this letter and any updated statement concerning this shipment and future shipments of plutonium? ([AP article](#))

Thank you for your assistance in this matter. Looking forward to hearing from you.

Best regards,
Iva
