In the wake of historic floods, some of our neighbors are still struggling.

That's why some of our friends, including Stephen Colbert, Darius Rucker, Dawn Staley and Dabo Swinney, got together to start the One SC fund.

The purpose of One SC is to help South Carolinians re-build and repair their homes that were damaged or destroyed during the flood.

Our family hopes you'll join us in helping our neighbors re-build their homes by making a donation to the One SC – Flood Relief Fund. 100% of the donations will go to assisting South Carolinians.

Visit [www.onescfund.org](http://www.onescfund.org) or text 'onesc' to 843-606-5995 to make a donation.
