Hello. My fiance and I have a question about cabin usage. We have a reservation at Paris Mountain's Camp Buckhorn for May and were recently told that all cabins are day use only. When we originally signed the contract and left a deposit, it was for the weekend with a 2 night stay. Recently, we've been seeing some posts from this page about cabins being available for overnight use. Some reps we've talked to have said that our reservation might have to be adjusted for day use only. Difficult when we're planning a wedding. Just looking for a consistent answer about whether our contract will be honored or if all SC state parks' cabins will be day use only due to COVID-19. Thank you

I am not sure about this. It may be because it is a group reservation. Please contact our park operations office at 803-734-0156 and speak to someone there.
