I am aware of the issue but not the executive order. He brought it to our attention a couple weeks ago. Austin and I spoke with Gov. Haley about it and she had follow up questions, which I sent to Brian. Brian sent over some responses but told me to put everything on hold so I never followed up with Gov. Haley. He did not let me know the plan was back in motion. I will follow up with him.

Dear Ms. Taylor and Ms. Schimsa:

Please find attached an Executive Order authorizing State Guard assistance in the prevention and detection of crime at SCDC. The order is being forwarded for your review and the Governor's signature if you and the Governor find it acceptable. The Order was prepared by the State Guard counsel and our General Counsel's Office. Please let me know if you have any questions or would like to make any changes.

Sincerely,
Salley Elliott
