The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, SC 29201

Dear Governor Haley,

On behalf of the 2,300 members of the South Carolina Federation of National Active and Retired Federal Employees (NARFE) Association, I want to thank you for "loaning us" your Secretary of Transportation, Ms. Christy Hall, to be our banquet speaker for our recently completed convention held at the downtown Marriott in Columbia, SC. Ms. Hall's address was both noteworthy and informative and certainly well received by the 125 members at the banquet.

Our members are located in 16 chapters scattered across the state and all of our members were touched in one way or another by the outstanding performance by Ms. Hall's folks in the Department of Transportation during the catastrophic flooding last October. We appreciate Ms. Hall taking time out of her busy schedule to speak to our group. Her presentation was excellent.

During our convention, we were also celebrating Public Service Recognition Week. We couldn't have asked for a better speaker during Public Service Recognition Week than Christy Hall. She certainly helped make the week special for all of us who are active or retired federal public servants.

With best regards,

Robert K. Shear
2016 Convention Chair
