Hey Chaney,

Was just checking in on this. Have you had any luck getting a comment from the governor for me?

Thanks!

Hi Chaney,

My question for Gov. Haley is:

With the council in Briarcliffe Acres passing a motion opposing offshore drilling and/or seismic testing earlier this week, following suit of almost all of the coastal towns in SC, I the governor rethinking her position given the solid opposition from coastal communities? And why or why not?

Again, my deadline for this is mid-day tomorrow. Thanks!
