Katherine,

This call came through 4-2100; Rep. Smith mentioned that he had spoken with someone at the Statehouse but that they were out of the office until the end of the month.

Subject: Call from Rep. Smith

Representative Roland Smith (Aiken County Legislative Delegation) called our office today. He received a request from Ted Pitts for a recommendation for the Aiken County auditor's position. Representative Smith has since heard that the Governor wasn't going to make an appointment. He would like more information on the Governor's position on this matter. He can be reached at (803) 593-8987 cell #.
