Dear Fellow Council Members,

I want to thank you all for allowing me to serve as an officer of the SC Building Codes Council for the past 13 years.

While I have thoroughly enjoyed my service on the Council, along with the friendships that we've made, I believe it time to turn it over to other. This is not a decision that I have made in haste. Rather, it is something I have considered with mixed emotions over the last several months.

I have spoken with Chris and he is ready to step in as Chairman, at least until the officer elections in January.

I wish each of you and the Council my best.

If I can do anything for you or if you just want to chat, please call.

Sincerely,
Greg
