Wes,

1. Met with tony Kester, can you get him a copy of the final floor plan from Chris beard showing the addition of the 4<sup>th</sup> office so he can sign off and give it to his furniture and voice/data team.
2. We need to confirm common area lobby finishes to be the new carpet from the 12<sup>th</sup> floor and the paint trim color from the 12<sup>th</sup> floor. I don't recall if we were keeping the wall covering so let's look at it with a sample of the carpet and paint, so we can decide if we need to order wall covering to match 12<sup>th</sup> floor. Please let me know when you have that from Dana at Boudreaux. ( it could be around here already).
3. Also we may want to add the sconces to this floor as well so let's look at what was planned and approved by Inrel. Do you have that \$?

thx
