Because I agree it is politically motivated and shouldn't be a life sentence.

This entire 'process' is so bizarre that I can't believe it's even happening! I can't help wondering if someone with excessive money, perverse power, and undue 'influence' has got some sort of irrational personal vendetta against Amy Kovach and has rallied a small group of his 'cronies' to orchestrate this trumped-up piece of crap. These multiplying charges (!) are nothing compared to the wasteful expenditures of citizens' resources. Every citizen should be outraged that trying to improve schools, for pity sake, has made your officials look like fools indeed.

I've know Amy for nearly 2 decades - before she was a mother of 3 wonderful daughters whose education and that of all the children of Berkeley County she cherishes above all else. And the 'government' (!) wants to spend MORE resources to do WHAT to her and her family!? When will this nightmare end not just for Amy but for Berkeley County to heal it's decisiveness over improving the future of their children?

I'm signing this petition because this looks more like a vendetta than a legitimate prosecution. As a Berkeley County school employee, wasn't Amy just doing her job in getting out information about a bond referendum for the schools that the voters overwhelmingly supported? What a huge waste of taxpayer money over a \$259 invoice!
