**Subject:** Choose Life Plate

---

The SC Citizens for Life, AKA Choose Life SC has petitioned for a special plate for its organization. If the plate goes into production, the funds will be distributed to SC Citizens for Life, AKA Chose Life SC. That organization intends to use the funds to "support pregnancy care centers".

If the plate is produced, SCDMV will not be distibuting funds to separate pregnancy care centers -- this will be done by the organization. The pregnancy center in Rep. Chalk's district would have to contact SC Citizens for Life, AKA Choose Life SC to make arrangements with them to receive funds from that organization, under the organization's own guidelines.
