Ashleigh,

You can find all of the information in the attached letter from the governor to agency heads.

Subject: Question: Governor on budget

Hi Chaney,

In researching for some stories with separate state departments (like SCDC today) on upcoming budget requests, I came across this article by The State. At the bottom, there's a list of cuts departments are to expect, citing the Governor's office. Can you tell me if that list is accurate?

Thanks! Ashleigh
