As we approach #Juneteenth and celebrate this historic day of freedom coming to Galveston, TX on June 19, 1865, our three historic plantations are providing a three-video series to tell you more about what happened on Juneteenth and the periods leading up to and after this historic day. In this video, Ranger Hannah from Hampton Plantation, talks about the Emancipation Proclamation, the 13th Amendment and Juneteenth.

### Juneteenth Video Series - Video 1 from Hampton Plantation

**Renée Dhyana Paris Ekwoe** Don't you think the end of slavery in the US is an important thing to celebrate and learn about?

at 23:49:35 on 6/17/2021 UTC

**Mina Harrington** Renée Dhyana Paris Ekwoe Slavery is alive in the US and all around the

world. Example: all the sex slaves; the human trafficking going on.

**Jeannie Harris Benton** One of the best plantations to visit. Well preserved home, but mainly unfurnished. Such a peaceful location to spend a day! Put this on your vacation list to see.

**Mina Harrington** Bob Wismer Just look at the news, Bob. ALL the arrests -- even here in South Carolina where they are finding kids being used as sex slaves. North Myrtle Beach just had a big bust. I have been following border issues from well qualified people for 3 years. There are tons and TONS of examples. Here is just one picture of what is found in the Arizona desert where they are trafficking people. It would take me a long time to find the video where they found homemade condoms used by the traffickers. There is also the well known issue of where the Cartels place "migrants" under servitude TO them until they pay the amount they owe the Cartels to traffick them into the USA. If they don't pay, then they are in danger, as well as their families, of being killed. It is extremely brutal, Bob and gets very graphic. The Cartels also will use the younger guys as mules to traffick drugs into the USA until they pay for their way into the USA.

**Mina Harrington** Bob Wismer You may not like FOX News, but, this is an interview with law

enforcement in Houston Texas concerning the sex slaves:

**Bob Wismer** Mina Harrington While it's obviously a concern, such just doesn't rise to the level of institutional chattel slavery in America prior to 1863...  
I'm circumspect about Mr. Hannity...objectivity is not his strong suit...anything more you can give that will corroborate large-scale slavery in the US ? ("Slavery is alive in the US")...

**Mina Harrington** Bob Wismer I am assuming you didn't bother to listen to the video. If you did, then you also don't trust law enforcement either. And, with that -- all I will say is that you can believe whatever you wish to believe. It is your right.  
at 16:49:29 on 6/18/2021 UTC

**Bob Wismer** Mina Harrington I did...it isn't evidence of large scale slavery on-going in the US (which is what you suggest)...  
All I'm asking for is verifiable, evidenced based corroboration of your comment: "Slavery is alive in the US"...as stated nothing that is alleged comes to the level of institutional chattel slavery in the US...  
Be careful what you assume...  
at 16:54:21 on 6/18/2021 UTC

**Bob Wismer** Mina Harrington By the way, are you a proponent of "Q" conspiracy theories ?  
at 16:55:05 on 6/18/2021 UTC

**Mina Harrington** Bob Wismer NOT a chance!!! ROFLOLOLOL  
at 17:01:39 on 6/18/2021 UTC

**Bob Wismer** Mina Harrington Then objective evidence is something you can provide, based on your comment of "Slavery is alive in the US"...compared to institutional chattel slavery...
